

Cookie Notice

This Cookie Notice explains how Eleven Systems, LLC, and our affiliates (collectively, “**Eleven Systems**”, “**we**”, “**us**” or “**our**”) use cookies and similar technologies in connection with the <https://www.elevensystems.com/> website and any other website that we own or control and which posts or links to this Cookie Notice (collectively, the “**Sites**”).

What are cookies? Cookies are small data files that are placed on your computer or mobile device when you visit a website. Cookies serve different purposes, like helping us understand how a site is being used, letting you navigate between pages efficiently, remembering your preferences, and generally improving your browsing experience.

Our Sites may use both session cookies (which expire once you close your web browser) and persistent cookies (which stay on your computer or mobile device until you delete them).

We use two broad categories of cookies: (1) first party cookies, served directly by us to your computer or mobile device, which we use to recognize your computer or mobile device when it revisits our Sites; and (2) third-party cookies, which are served by service providers or business partners on our Sites, and can be used by these parties to recognize your computer or mobile device when it visits other websites. Third-party cookies can be used for a variety of purposes, including site analytics, advertising, and social media features.

What types of cookies and similar tracking technologies does Eleven Systems use on the Sites?

On the Sites, we use cookies and other tracking technologies in the following categories described in the table below.

Type	Description	Who serves the cookies	How to control them
<i>Analytics</i>	These cookies help us understand how our services are performing and being used.	Google Analytics	You can find out more information about Google Analytics cookies here and about how Google protects your data here . You can prevent the use of Google Analytics relating to your use of our Sites by downloading and installing a browser plugin available here . See ‘your choices’ below.
<i>Essential</i>	We use session cookies to maintain security. Session cookies expire with the session. Please	Personal Life Manager Back End Services	If you block the essential session cookies, you will not be able to use the Sites.

	note that session cookies are not tracking cookies. Their only purpose is to enforce secure access.		See 'your choices' below.

Other technologies. In addition to cookies, our Sites may use other technologies, such as Browser Web Storage to collect information automatically.

Browser Web Storage

We may use browser web storage (including via HTML5), also known as locally stored objects (“LSOs”), for similar purposes as cookies. Browser web storage enables the storage of a larger amount of data than cookies. Your web browser may provide functionality to clear your browser web storage.

Your choices. As noted above, your options for controlling what information cookies and similar technologies collect about you include:

- **Blocking essential cookies in your browser.** If you block the essential session cookies, you will not be able to use the Sites.
- **Blocking analytics cookies in your browser.** You can prevent the use of Google Analytics relating to your use of our Sites by downloading and installing a browser plugin available [here](#)

For more information about cookies, including how to see what cookies have been set on your computer or mobile device and how to manage and delete them, visit www.allaboutcookies.org. If you do not accept our cookies, you may experience some inconvenience in your use of our Sites. For example, we may not be able to recognize your computer or mobile device and you may need to log in every time you visit our Sites.

For more information about how we collect, use and share your information, see our [Privacy Policy](#).

Changes. Information about the cookies we use may be updated from time to time, so please check back on a regular basis for any changes.
